	**Retesz Classic** Smart deadbolt	35–50 mm	Black nickel
	**Retesz Axis** Smart handle lock	35–65 mm	Black / Silver
	**Retesz Vision** Smart handle lock	40–120 mm	Black / Silver
	**Retesz Vision Pro** Smart handle lock	35–100 mm	Black / Silver
	**Retesz Arc** Smart handle lock	35–55 mm	Black / Silver
	**Retesz Line** Smart handle lock	35–55 mm	Black / Silver
	**Retesz Edge** Smart handle lock	35–55 mm	Black / Nickel grey

Axis, Arc, Line and Edge: TTLock and single-latch options, not every unit. Verify US wooden-door dimensions, handing, backset, thickness, latch prep and compliance. Core & Classic: local Bluetooth. Handle technology varies by model and exact app variant. Door thickness alone does not establish compatibility. Request full specifications and installation documentation. Handle imagery is Retesz-branded product visualization. Pricing, availability and terms are confirmed separately.
